Variation

If required, this is an opportunity for you to formally request a variation to your 2025-26 Funding Agreement.

This is your final opportunity to request to use any *unplanned unspent* DPA funds from the previous year by adding them to your 2025-26 budget and funding agreement.

An amount equal to the value of any unplanned unspent funds not covered by a variation will be deducted from the planned second transfer, returning the funds to the RBG's DPA account for future use.

After this point, variations requesting the transfer of additional DPA funds (if available) can be submitted until mid-June.
