

List of PSHB Waste Management Facilities

To stop of spread of the polyphagous shot-hole borer (PSHB), the Department of Primary Industries and Regional Development (DPIRD) has approved the following green waste sites under the general exemption outlined in the PSHB Quarantine Area Notice. These facilities are regularly inspected to ensure that plant material is managed in accordance with the requirements of the Quarantine Area Notice.

Green waste transported to these facilities must be securely transported in a fully sealed and covered skip bin, trailer, or truck.
