

List of Waste Management Facilities Exempt Under the Polyphagous Shot-Hole Borer Quarantine Area Notice

Updated 12 December 2025

A Quarantine Area Notice (QAN) is in effect to help prevent the spread of polyphagous shot-hole borer (PSHB). The Quarantine Area is split into a **Management Zone**, where the borer is already present, and a **Containment Zone** where there are very low levels of infestation on the outskirts of the metropolitan area.

PSHB can be moved long distances in firewood, green waste, and untreated plant material. Movement restrictions apply to these materials, and everyone needs to follow these requirements to protect WA's horticultural and regional areas.

To minimise the impact on regular green waste management streams in Western Australia, the Department of Primary Industries and Regional Development (DPIRD) has approved specific green waste sites under the general exemption outlined in the QAN. Green waste **can** be transported to and disposed of at your local government waste facility. Check with your local government for the nearest facility.

All green waste transported to these facilities must be securely contained in a fully sealed and covered skip bin, trailer, or truck. The facilities are subject to regular inspections to ensure plant material is managed in full compliance with QAN requirements.

If your local government waste facility is located in a different Quarantine Area zone from your residence or business, green waste **can** still be transported and disposed of at this facility, providing it is fully sealed and covered during transport.

Green waste facilities in the Management Zone:

Suburb	Business Name	Address
Balcatta	Recycling Centre Balcatta	238 Balcatta Road
Bayswater	EMRC Bayswater Transfer Station & Recycling Centre	271 Collier Road
Bayswater	Waste Care Jackson Street	60 Clune Street
Bibra Lake	Veolia Bibra Lake	65 Howson Way
Bullsbrook	Bullsbrook Recycling Centre	121 Stock West Road
Bullsbrook	Brajkovic Landfill North	91 Walyunga Road
Canning Vale	Ranford Road Resource Recovery & Waste Transfer Station	81 Ranford Road
Canning Vale	Resource Recovery Centre Canning Vale	350 Bannister Road
Haynes	Wollaston Avenue Waste Recycling Site	15 Wollaston Avenue
